*Enrichment  
Brochure!*

ATHLETICS • TUTORING • AFTER SCHOOL PROGRAM • ENRICHMENTS

Sagemont Prep families are invited to explore the diverse array of options available this school year and select activities that best match their children's interests and schedules. From performing arts to sports and academic clubs, there is something for every child. This brochure contains detailed schedules and descriptions of each enrichment program to help you make informed decisions. Don't miss the opportunity to enrich your child's educational experience and foster new skills in a fun, engaging environment. With registration now open and limited spaces available, be sure to sign up early to secure your spot.

For more information, please contact Mr. Leonardo,  
Camp & Activities Director, at

# Morning Programming Schedule

|             | Mon.   | Tues.               | Weds.   | Thurs.              | Fri.                        |
|-------------|--|---------------------|---|---------------------|-----------------------------|
| 7:45 - 8:30 | Monty's Morning Show, Flag Duty, Safety Patrol |                     |   |                     |                             |
| 7:45 - 8:30 | Chess Club<br>K-5th                            | VEX IQ<br>4th - 5th | Environmental Club: 1st Weds. of the Month<br>NEHS: 2nd Weds. of the Month<br>Student Council: 3rd Weds. of the Month | VEX IQ<br>4th - 5th | Math Olympiads<br>4th - 5th |

## Chess Club

Grades Kindergarten - 5th **\*Grouped by skill level**  
The main objective of this program is to use chess as a tool to improve your child's self-confidence, imagination, concentration, and intuition while developing logical, critical thinking, and reasoning skills. The course follows a complete project-task curriculum approach and has appropriate activities according to the student's age and level! The Chess Club fee includes virtual classes and competitions once a week.

**Program Fee: \$195 Bimonthly Fee**

## Sagemont Prep VEX Robotics Competitive Team

**Grade Levels: 4th - 5th**

Alongside Code Ninjas, we're seeking enthusiastic learners to join us on this transformative adventure. Inspired by the rapidly evolving world of robotics and AI, we're on a mission to cultivate the next generation of innovators. Our exclusive Robotics Team promises the thrill of competition and a chance to grasp the vital skills of tomorrow. Engage in hands-on robot-building experiences, hone problem-solving abilities, foster critical thinking, and embrace teamwork in a challenging and rewarding environment. VEX IQ Team participation will be by *invitation* only.

**Program Fee: \$185 Monthly Fee**

## Environmental Club

**Grade Levels: 3rd - 5th**

The Environmental Club aims to increase awareness of environmental issues and provide opportunities within our community for students to develop responsibility, take positive action, make an impact, and protect and improve our environment for the future. Students in grades 3, 4, and 5 are invited to join the Environmental Club. Once selected, students will be required to attend regular meetings to discuss topics, participate in classroom educational lessons, and perform community service as a part of the program's mission and vision during the school year. Meetings are held on the first Wednesday of every month.

**Program Fee: \$20**

## Math Olympiads, MOEMS

**Grades: 4th - 5th**

MOEMS aims to foster a love for mathematics by introducing key concepts, innovative problem-solving strategies, and developing creativity and intuition. MOEMS offers engaging contests from November through March featuring unique problems and detailed solutions. These contests provide a stimulating and rewarding experience, significantly enhancing students' problem-solving skills and deepening their appreciation for mathematics.

**Program Fee: \$40**

## Student Council

**Grade Levels: 3rd - 5th**

The Student Council is a representative body of students elected by their peers. Its primary purpose is to give young students a voice and a platform to participate actively in the decision-making process within their school community. The student council allows students to express their ideas, concerns, and suggestions, fostering a sense of ownership and responsibility in shaping their school's environment. Student Council members often organize and lead various events, fundraisers, and initiatives to improve the school experience for all students. Through their involvement in the student council, students learn valuable leadership skills, teamwork, and the importance of civic engagement from an early age. Beginning in 3rd grade, students may serve as class representatives. Fourth-grade students may choose to run for the office of vice president or treasurer. Fifth-grade students may decide to run for the office of president, secretary, or historian. Meetings are held on the third Wednesday of every month.

**Program Fee: \$20**

# Morning Programming Cont.

## **Safety Patrol:**

### **Grades: 4th - 5th**

The Safety Patrol program is designed to promote safety and responsibility among elementary school students. The safety patrol members are responsible for assisting their peers during arrival and dismissal times, as well as ensuring orderly conduct in hallways and on campus. They serve as role models by exhibiting proper behavior and emphasizing the importance of following rules to ensure the well-being of all students. By participating in the Safety Patrol, students not only gain a sense of leadership and community service but also contribute to a secure and organized school environment. This program instills values of accountability and teamwork while fostering a culture of safety awareness within the school community. All 4th-5th students will have the opportunity to participate in Safety Patrol. *Registration not needed.*

---

## **Monty's Morning Show**

### **Grades: 4th - 5th**

All 4th and 5th grade students participate in Monty's Morning Show program. The show is broadcast live each day throughout all grade levels. As the show's leaders, students are responsible for all aspects of the production, including digital set design, lights, scripts, writing, etc. Students collaborate to write the daily script, provide technical support, and act as news anchors. Monty's Morning Show is a fun and powerful way for students to participate in leadership roles and share their positive school values with peers. All 4th-5th students will have the opportunity to participate in Monty's Morning Show. *Registration is not needed.*

---

## **Flag Duty**

### **Grades: 3rd**

Elementary flag duty involves a group of students who take on the responsibility of raising and lowering the American flag at the beginning and end of each school day. This duty holds a symbolic significance as the flag represents the unity and values of the nation. Students who are selected for flag duty are seen as respectful and responsible individuals, entrusted with the task of handling the flag with care and adhering to proper flag etiquette. This duty not only instills a sense of patriotism and pride in the students but also teaches them about the importance of honoring national symbols and participating in civic responsibilities from a young age. All 3rd grade students have the opportunity to participate. *Registration is not needed.*

## **National Elementary Honor Society, N.E.H.S.**

### **Grade Levels: 4th - 5th**

The purpose of this reputable organization is to recognize students for their outstanding academic achievement and personal responsibility, to provide service to the school and community, and to develop leadership skills in the students of elementary schools. Membership in a local chapter is an honor bestowed upon a student. Selection for membership is by a faculty council and is based on outstanding scholarship and responsibility. Once selected, members are responsible for continuing to demonstrate these qualities and participating in chapter activities to build experience and improve skills in leadership and service. Meetings are held on the second Wednesday of every month. N.E.H.S. is by *invitation* only.

**Program Fee: \$20**

---

## **Cubs Table Talk**

### **Grade Levels: 4th - 5th**

This year, we're excited to introduce Cubs Table Talk for our 4th and 5th-grade leaders—a talk-show-style speaker series where students take the lead. In collaboration with our Head of School, Ms. Nelson, these young leaders will develop questions that explore our speakers' journeys, focusing on the drive, grit, and passion that have fueled their success in various areas of life. This program offers our students a unique chance to ask insightful questions, reflect on their own paths, and find inspiration for the future. Selection for the Cubs Table Talk crew involves an application and interview process, with applications opening in September. *The application will open in September.*

To register, please complete the Enrichment Registration Form and return it with to the front office. For more information, please contact Mr. Leonardo, Camp & Activities Director, at [sleonardo@sagemont.com](mailto:sleonardo@sagemont.com)

# MIDTOWN ATHLETIC CLUB® *Partnership!*

Sagemont Preparatory, in partnership with Midtown Athletic Club, offers tennis lessons from August 26th to November 30th. Classes are available Monday through Saturday. Please indicate your preferred day on the registration form.

## **Tennis Explorers, Ages 3-4**

Your child will be inspired through play, imagination, physical literacy activities, and tennis skills.

- Time: 3:30 PM to 4:15 PM
- Cost: \$348.00

## **Velocity Level 2, Ages 9-12**

Advanced level, green ball, full court, tactical theme: controlling space.

- Time: 6:00 PM to 7:30 PM
- Cost: \$649.00

## **Velocity Level 7, Ages 5-6**

Focuses on tactics, technique, and movement. Beginner level, red ball, 21 court size, theme: controlling racquet and ball.

- Time: 3:30 PM to 4:30 PM
- Cost: \$446.00

## **Velocity Level 1, Ages 10-12**

Advanced level, yellow/green ball, tactical theme: controlling opponent.

- Time: 6:00 PM to 7:30 PM
- Cost: \$649.00

## **Velocity Level 6, Ages 6-7**

Emphasizes rally consistency. Beginner level, red ball, 36 court size.

- Time: 4:30 PM to 5:30 PM
- Cost: \$446.00

## **Teen Beginner, Ages 12-17**

For new players, focusing on service, rally, and score. Ball type: red/orange.

- Time: 6:00 PM to 7:30 PM
- Cost: \$649.00

## **Velocity Level 4, Ages 8-11**

Intermediate level, red/orange ball, 42 and 60 court sizes, tactical theme: consistency & direction.

- Time: 4:30 PM to 6:00 PM
- Cost: \$649.00

## **Teen JV, Ages 12-17**

Developing consistency, direction, and depth through singles and doubles play. Ball type: green/yellow.

- Time: 6:00 PM to 7:30 PM
- Cost: \$649.00

## **Velocity Level 3, Ages 7-11**

Advanced intermediate level, orange ball, 60 court size, tactical theme: moving opponent.

- Time: 4:30 PM to 6:00 PM
- Cost: \$649.00

## **Teen Varsity, Ages 12-17**

Enhancing consistency, direction, depth, and spin. Ball type: yellow.

- Time: 6:00 PM to 7:30 PM
- Cost: \$649.00

Lessons are held at Midtown Athletic Club. Transportation is **not** provided by Sagemont Prep.

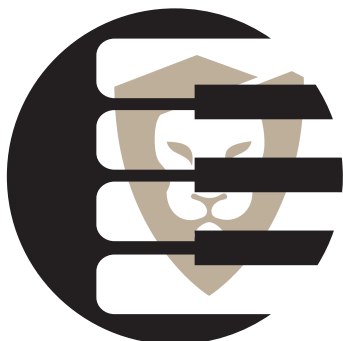

# Sebastián Yatra Conservatory of the Arts

## Sagemont Prep Show Choir

### Grades 3 -5

Show Choir uses movement and costumes with a thematic idea, with music ranging from pop to show tunes. It is a musical ensemble that combines choral singing with choreographed dancing, often with an overarching theme. Students are exposed to music and theatre in a fun and interactive way, and props and costumes during rehearsal time make it even more exciting. Students perform and are the main leads during the Winter and Spring seasons with additional Show Choir specific performances. We attend city events, field trips, in-school presentations, and yearly events. Students develop techniques in acting, singing, sight reading, blending, stage presence, choreographies, improvisation, and more during class. Teachers work hand in hand with the students and parents, and students learn how to work individually and collaboratively.

**Program Fee: \$100**

## Private Piano Lessons

Sagemont Preparatory's Conservatory of the Arts offers private piano lessons. These one-on-one sessions, held in our Piano Lab, are 30 minutes each, from 7:45 am to 8:15 am. If you are interested in this program, please complete the Enrichment Registration form. You will be contacted to schedule your preferred day. Spaces are limited.

**30 Minute Private Lessons: \$40**

# After-School Enrichment Programs

## **The Real Food Academy**

### **Grades Kindergarten - 5th Grade**

The Real Food Academy Chef shows the students how to create dishes based on our slogan, "Keep it Real at Every Meal," and have a good understanding of the topics listed: Processed foods vs. natural foods, proper food handling, and the proper use of cooking and kitchen utensils. Every week, we meet and participate in a hands-on class. Students will learn how to properly execute the dishes on the scheduled menu and taste their creations. Our most important message in this course is that food made from scratch is more fun, delicious, and nutritious. Some sample menus include freshly made pasta, pancakes, waffles, vanilla zucchini cupcakes, and more!

**Program Fee: \$50 per class**

---

## **Bold Nation Intro to Sports**

### **Grades Preschool - Kindergarten**

Get ready for an action-packed afterschool experience with Bold Nation Sport's Introduction to Sports and Fitness program! Designed specifically for preschool and kindergarten students, this program provides a fun, engaging, and educational way for young children to explore the world of sports. Held every Wednesday from 3:15 PM to 4:15 PM, this year-round class is perfect for young athletes looking to develop foundational skills, build confidence, and make new friends.

**Program Fee: \$30 per class**

---

## **Spaceneurship**

### **Grades 2nd - 5th Grade**

Spacepreneurship invites young explorers to tackle the final frontier through entrepreneurship! Designed for creative minds in grades 2nd through 5th, this engaging program combines the thrill of space exploration with the innovative spirit of business creation. Over eight weeks, students will learn about the unique challenges of living and working in space. They will use their creativity to develop business ideas that could solve space-related problems as we look to the future and technology development. Students will discuss spacepreneurship problems and solutions with experts from "The Space Foundation" to better understand what needs to be created in today's world to meet our needs in relation to outer space. This captivating context of space exploration makes it an ideal educational adventure for young minds fascinated by the stars and their related business adventures.

## **Cooking up Business**

### **Grades 2nd - 5th Grade**

Step into the world of culinary entrepreneurship with "Cooking Up Business," an 8-week adventure designed for students in grades 2nd through 5th. This unique program combines the excitement of creating a food-based business with the fundamentals of entrepreneurship. Each week, participants will cook up delicious business ideas, whip up effective plans, and serve their tasty treats at their very own food stand during our end-of-program pop-up market. Turn your love for food into a business reality, exploring everything from gourmet snacks to exotic treats. Gain hands-on experience in entrepreneurship tailored to the food industry. They will handle everything from food preparation to sales, experiencing the joy of entrepreneurship through the lens of food.

## **Jingle Biz Bash**

### **Grades 2nd - 5th Grade**

Transform your festive ideas into a successful holiday enterprise! This will culminate as a holiday pop-up business just in time for Winter holiday shopping. Light up the holiday season with an enchanting 8-week journey into the heart of holiday entrepreneurship. Designed for imaginative students in grades 2nd through 5th, this program invites young creators to design, develop, and deliver a dazzling array of holiday-themed products. From sparkling ornaments and custom holiday cards to warm cups of cocoa, participants will learn the joy of creating and selling in the spirit of the season. Learn how to plan and organize a holiday product line, considering costs and customer appeal. Gain real-world business skills by managing a holiday-themed venture. Students develop their confidence as they pitch and sell their products, engaging with customers with holiday spirit. Then bring the school community together with a festive market that celebrates student entrepreneurship and creativity.

## **Fashion Forward Founders**

### **Grades 2nd - 5th Grade**

Dive into the dazzling world of fashion and jewelry using your creative side to design and create fashion that expresses your personal style. From brainstorming and sketching designs to crafting final products and setting up a chic pop-up shop, participants will learn the ins and outs of the fashion business. Students will learn about what makes a brand unique and create attractive displays. They will gain hands-on experience in design, production, and sales that mirror real entrepreneurial ventures. Students will develop confidence in their artistic abilities and learn to communicate their vision effectively. Students will experience the thrill of selling their designs to the community and learning from their feedback. Join "Fashion Forward Founders" and turn your style ideas into a fabulous fashion reality!

**Program Fee: \$36 per class**

### **Ceramics:**

#### **Grades 1st - 5th Grade**

In this ceramic hand-building class, students will learn to create 3D animals, people, and famous characters like Minions and Mickey Mouse. They will use techniques such as pinch pots, coils, and slabs to bring their creations to life. Through step-by-step instruction and hands-on practice, students will develop their sculpting skills and artistic expression, making unique and imaginative pieces.

**Program Fee: \$40 per class**

---

### **Cartooning:**

#### **Grades 1st - 5th Grade**

In this dynamic and creative class, students will discover the harmonious balance between technique and imagination, as they learn to harness the power of visual storytelling. By exploring the fundamental principles of character design, students will develop skills in drawing and creating characters from geometric shapes, and understand how to convey narrative through imagery. Through the study of iconic characters and guided exercises, students will be inspired to craft their own unique characters and create an original comic book, cultivating their artistic voice and creative expression.

**Program Fee: \$39 per class**

---

### **Bold Nation Volleyball & Basketball**

#### **Grades Kindergarten - 3rd Grade (Grouped K-1, 2-3)**

**Program Overview:** Join the excitement with Bold Nation Sports' After-School Volleyball and Basketball Program, designed to introduce young athletes in grades K through 3 to the fundamentals of these dynamic sports! Our program focuses on building foundational skills fostering teamwork, and, most importantly, having fun! Our mission is to inspire, motivate and guide our youth to lead a healthier life through sports.

**Program Highlights:**

- **Skill Development:** Our experienced coaches will guide participants through basic volleyball and basketball skills, including dribbling, passing, shooting, and serving. Through engaging drills and games, kids will improve their coordination, balance, and athleticism.
- **Fun and Games:** We believe in learning through play! Each session features a mix of skill-building activities and friendly, age-appropriate games that keep kids excited and motivated. These skills will help them on and off the court.
- **Teamwork and Sportsmanship:** Emphasis is placed on teamwork and good sportsmanship, helping kids learn how to work together, communicate effectively, and support each other both on and off the court.

**Program Fee: \$30 per class**

### **Nexplore 3D Printing** **Grades Kindergarten - 5th Grade**

Nexplore 3D Printing Start+ empowers students to bring their imaginations into reality with 3Doodler pens. Each lesson combines a structured STEAM project with wiggle room to doodle, explore, and create their own ideas. Students might construct landforms to learn about geography or use geometry to make their own shapeshifters. Nexplore 3D Printing Start+ transforms STEM concepts into 3D projects and sparks joy as students watch science come to life.

**Program Fee: \$36 per class**

---

### **Nexplore Origami** **Grades Kindergarten - 5th Grade**

Nexplore Origami takes a modern STEAM spin on traditional paper folding. Students hone their fine motor skills while learning standard folds and turning ordinary objects into extraordinary creations. While making art, students learn about the world through hands-on STEAM activities, like using their paper basketball hoops to conduct experiments about force or their sailboats to discover lines of symmetry. Paper artists will feel a sense of achievement with the beautiful figures they take home to keep.

**Program Fee: \$36 per class**

---

### **Nexplore ESports** **Grades 3rd - 5th Grade**

In Nexplore Esports, every student is an expert player. This program uses popular games to introduce students to essential life skills like collaboration, time management, and healthy competition. An expert instructor combines standard-aligned curriculum and expertise to guide students as they play their favorite games, creating a safe environment where students learn appropriate online etiquette, digital citizenship, and online safety. Beyond the games themselves, Nexplore Esports breaks down how and why games work to inspire gamers towards future careers in technology.

**Program Fee: \$36 per class**

---

### **Nexplore Architecture 3DUX Design** **Grades Kindergarten - 5th grade**

In this incredible 3DuxDesign architecture experience, students harness their engineering and design skills to build structures that will change the world! This course integrates art and science to overcome real-world challenges. Using the architect's toolset, students create a sustainable community, complete the tiny house geometry challenge, and engineer adaptive playgrounds. Young architects will love using STEAM and 21st-century skills to innovate solutions to modern problems in this authentic learning experience.

**Program Fee: \$36 per class**

## **Guitar & Violin**

### **Grades Kindergarten - 5th Grade**

Sunset Strings Academy sets the foundation for young students to begin learning stringed instruments in a fun, age-appropriate way. Our mission is to teach children to work together harmoniously to achieve their goals of learning to play the guitar or violin. Educational studies have shown that introducing music to a child's life will benefit them socially and emotionally and help build confidence, friendships, and a genuine appreciation for music. We are a unique ensemble of extraordinary Music Specialists focused on mentoring string orchestral students in a safe, loving environment conducive to serenity, peace, and mindfulness.

*Instruments are not included and must be bought or rented before class. The instructor will assist with the rental process if needed.*

**Program Fee: \$29 per class**

---

## **Florida Fire Soccer:**

### **Grades Pre-School - Kindergarten, 1st - 3rd**

The Florida Fire Soccer Club is a family-oriented organization committed to helping each player learn, grow, and passionately love the game of soccer. It is dedicated to developing character, integrity, and personal growth for the youth player, student-athlete, and future leader. It serves the community with a continuing tradition of fun and excellence in developing players, coaches, and teams. The Club features development and skill training for boys and girls of all ages, as well as the development and continuing licensing education for all of our coaches. We always welcome volunteer opportunities within our Club or to provide community service within our city. Our organization is committed to developing every player to their highest potential and encourages players to compete at the highest level of their ability. Supported by an active and involved board of directors made of active Firefighters, Paramedics, teachers, local business owners, and career Soccer Coaches. Our highly trained staff is experienced in educating and motivating players, parents, and our staff to provide the best soccer experience possible.

We focus on quality over quantity! That's the clue to our SUCCESS!

**Program Fee: \$40 per class**

---

## **Creative Studios Hip Hop Stars & Ballet**

### **Grades Kindergarten - 3rd Grade**

Join Creativities Studio for a Pop Star themed hip hop movement class! Class will begin with a warm up, skill building & technique, pop star themed dance choreography, and a cool down. Dancers will learn multiple dances to pop music from their favorite stars while acquiring hip-hop skills and technique. Each class will include a choreographed dance and perform a short performance at the end of the quarter for their family or caretakers. The class curriculum includes proper ballet technique & stretching exercises, five positions of arms & feet, steps & skills (jete, tendu, echappe, pique, passe, battement, releve), and turns (soutenu, chaine, & beginner pirouette).

**Program Fee: \$40 per class**

### **Little Veterinarian School Sea Turtle**

#### **Grades PS - 1st**

Is your kid a future marine biologist? In this after-school enrichment program, kids will learn how to perform a physical exam of a sea turtle, how to combat injuries on sea turtles, learn about the ocean and its inhabitants, and create models of the ocean, marine animals, and tools. They will receive their own plushie patient to take on the role of a veterinarian. Students will work together as a class to rescue, rehabilitate, and "release" our plushie Leatherback sea turtles. We will finish with the "sea turtle release" as the students graduate and receive a personalized Little Medical School diploma!

**Program Fee: \$36 per class**

---

### **Little Pediatrician**

#### **Grades PS - 1st**

Hello, future healthcare hero! In this after-school enrichment program, kids will learn how to perform a head-to-toe exam on a newborn, how to perform the infant Heimlich maneuver, what are safe sleeping practices for babies, childhood immunizations, and more. They will receive their own plushie baby patient and white coats to take on the role of a pediatrician. We celebrate with an informal graduation ceremony at the end of the program where kids will receive a personalized Little Medical School diploma!

**Program Fee: \$36 per class**

---

### **Little Veterinarian School Dog**

#### **Grades PS - 1st**

Do you have a future veterinarian in the making? In this after-school enrichment program, kids will learn how to perform a nose-to-tail exam, learn about the foods dogs cannot eat and practice making doggie treats, how to suture lacerations dogs can get from accidents or surgery, learn what ticks are and how to safely remove them, create "medicine" to give their plushie patients in the form of immunizations, explore the roles of different team members in a veterinary clinic, and more. They will receive their own plushie dog patient and white coats to take on the role of a veterinarian.

**Program Fee: \$36 per class**

---

### **Little Nutrition School**

Does your kid like to talk about food? In this after-school enrichment program, kids will learn about healthy eating habits, the food pyramid, and global foods through our nutrition workbook "Asha's Magical Ride". Students will create tasty recipes and snack combinations together while learning about breakfasts, lunches, and dinners. We celebrate with an informal graduation ceremony at the end of the program where kids will receive a personalized Little Medical School diploma!

**Program Fee: \$36 per class**

## Before and After School Care

Our Before & After School Programs offer students enriching opportunities for discovery and exploration before and after the regular school day hours. These programs provide numerous fun options while reinforcing the essential lessons and values taught throughout the school day.

From the simple pleasures of sports and games to the more complex STEAM and engineering projects – students will receive a one-of-a-kind experience they'll look forward to each day.

### Extended Day

Our Extended Day program allows busy working families the flexibility to drop-off before the school day starts and pick-up after the regular dismissal time. Our program is organized into five subject areas designed to provide your child with opportunities to learn valuable life skills, reinforce the skills they're learning during the school day, and provide plenty of time for fun with friends.

### Hours:

Lower Campus Before and After School Hours:

Before School Care: 7:00 AM - 8:00 A.M.

After School Care: 3:00 P.M. - 6:00 P.M.

## Sample Schedule

|   |  |   |   |  |
|---|--|---|---|--|
| <p><b>3:00 - 3:15</b><br/>Check- In<br/>Restroom<br/>Snacks</p> | <p><b>3:15 - 4:00</b><br/>Outdoor Games<br/>&amp; Sports</p> | <p><b>4:00 - 4:45</b><br/>Hands on<br/>Activities</p> | <p><b>4:45 - 5:30</b><br/>Brain Teasers &amp;<br/>Homework Help</p> | <p><b>5:30 - 6:00</b><br/>Activity<br/>Rotations</p> |
|---|--|---|---|--|

### Fees:

- Monthly Cost:
  - **Before School Care:**
    - 5 Day, \$223
    - 3 Day, \$134
  - **After School Care:**
    - 5 Day, \$415
    - 3 Day, \$250

### Aftercare Band:

As part of joining the Aftercare program, you will receive access to the Aftercare Band.

# AFTER SCHOOL TUTORING PROGRAM

## Enhance Your Child's Learning Experience!

Sagemont Preparatory offers a comprehensive tutoring program as part of our after-school programming, designed to give your child the extra academic support they need to excel.

### *Program Highlights:*

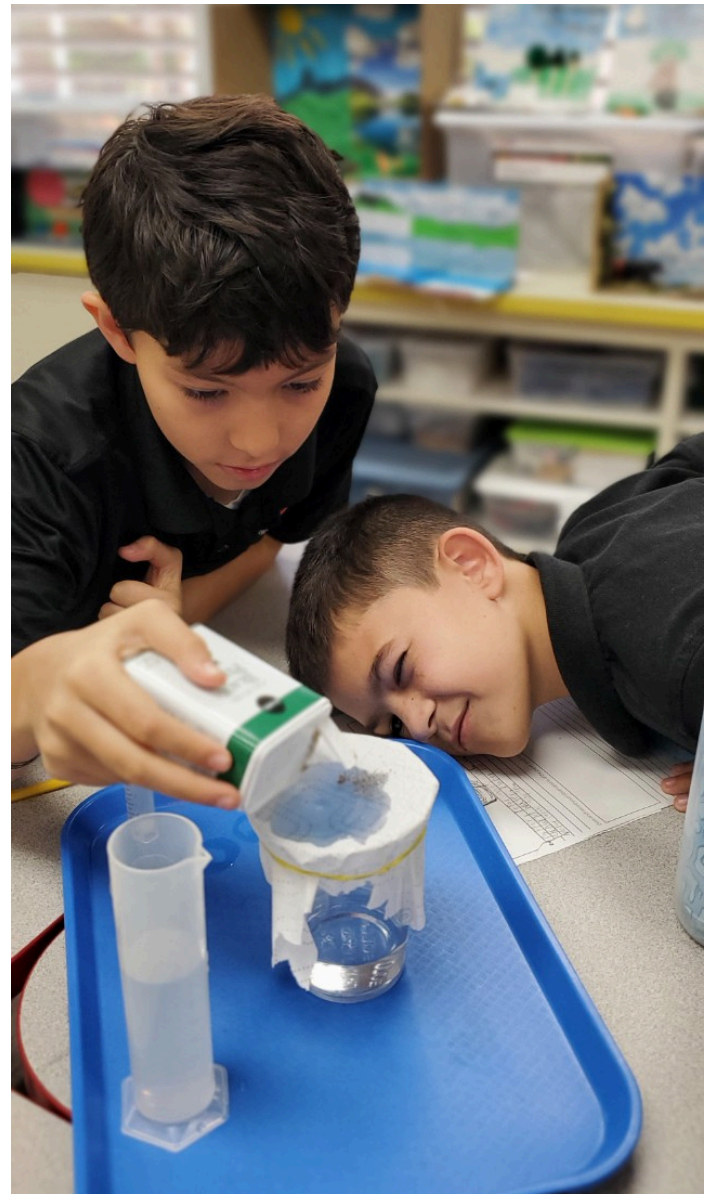

- **Personalized Attention:** Our experienced tutors provide one-on-one instruction tailored to your child's unique learning style and pace.
- **Homework Assistance:** Students receive help with their daily assignments, ensuring they understand the material and complete their homework on time.
- **Skill Development:** Focused sessions on key subjects such as Math, Science, English, and more to strengthen your child's academic foundation.
- **Flexible Scheduling:** Tutoring sessions are conveniently scheduled during our after-school hours, making it easy to integrate into your child's routine.

### *The Sagemont Prep Difference:*

- **Highly Qualified Tutors:** Our teacher-certified tutors are highly trained and passionate about helping students succeed.
- **Safe Environment:** All sessions are conducted in a safe, supportive, and structured setting.
- **Convenient Location:** No need to travel; tutoring is available on-site during our after-school program.

**To enroll in our Sagemont Prep Tutoring Program, please complete the attached Tutoring Registration Form. Once your tutoring schedule has been finalized, Mr. Sean Leonardo, our Camp & Activities Director, will contact you to confirm payment details.**

**For more information, please contact Mr. Sean Leonardo, Camp and Student Activities Director, at [sleonardo@sagemont.com](mailto:sleonardo@sagemont.com)**
